

LETTER OF REFERENCE AND RECOMMENDATION

To whom it may concern,

My name is Andrew Curtiss. I would like to attest to the professional services of the Riley and Wells Law Firm. I was subject to the Virginia State "Over 80" stipulation, imposed by a Virginia State Trooper with a Napoleon Complex. Since I am a resident of another state I was forced with the option of accepting a misdemeanor and paying a ridiculous fine that may have caused my license to be suspended or revoked, or attending court. The problem is that I was in Virginia for work and was unable to make the court date because court was set for a date where I was not in Virginia. I was easily able to work with the Riley and Wells law office over the internet and phone to tackle this matter.

The Riley and Wells Law Firm not only represented me in my absence; but they saved me from the damage of losing my license and taking a misdemeanor charge, which could have impacted my career. I was always treated with dignity and respect and the staff kept me well informed of my situation every step of the way. The Riley & Wells attorney and paralegal professionals demonstrate a lead by the example approach as well as other traits such as timeliness, integrity, honor and personal courage. It is in my experience that Riley and Wells is one of the most professional Law firms I have dealt with. I would certainly use them again and would recommend their services to anyone.

Please feel free to contact me at my personal email curtiss.andrew.78@gmail.com or phone +1-682-559-8661 regarding any questions you may have for me regarding this recommendation.

Respectfully,

Andrew Curtiss
